Expressing my disappointment regarding your ability to have the ability to understand a biker rallying for a council meeting, please know that I am a dedicated member of Bethel Fellowship and videoed you and Frank for the whole meeting. I will gladly show anyone how you behave. And just for the record all I have ever heard from anyone at church is that they agree with me.

While I do have you and Frank on video, I have moved on and your "gang" are so wrong, but needed someone to be angry at. The petition was SO misleading. I thought only democrats out of desperation did that. I guess you took a play from Hillary Clinton. Please attention to the Park and Rec plan that Council Woman Ryan approved. Get your check book out!!

Once again you are inconsistent and unstable.

She wants a 50,00,00+ new facility. Let's see if you show up for that!!

She wanted passed through a consent agenda and me being the Liberal that I am I requested a public hearing.

Pastor Jon contacted me because you tried to explain. Your behavior. While I sti have you acting juvenile I know that he is probably the only positive person you know. I will be speaking at other churches this weekend , but please know I will be back.

Once again, please pay attention to the park and rec plan. Get your check out! Your favorite councilwoman Ryan seems ready and willing!!! Good thing . Tjornhom stoped it !!?! Pick a team !! Ryan wants to become like Minneapolis! If Ryan gets her way, we will never be who we are and never be the community we have built together!!!

Hi Vickie. After reviewing all 700 petitions, and the fact that all questions were wrong I will be filing a law suit to whoever created the document. Who made the document with very misleading information??

You talked to Pastor Wahl. No I didn't show him your behavior. We will NEVER will be friends. Partly because I think the whole biker thing is for old people that's lives are so broken, that's all they have. I have such a wonderful family!!! Nothing in my family is broken You are so sad...
