

Title Incarcerated Persons Eligible for Perks

Body After further consideration, we have determined that all Incarcerated Persons should be able to go to the dining room. We have identified other "Perks" for those who have been vaccinated and IDs stamped. The Perks are:

- Transfer faster
- Can get a job
- Can go to Library starting 8-2-21
- Expanded Barber passes from any unit during pass time to school hall
- Facility-wide pass movement at any pass time: case managers, HS, etc.
- Expanded visiting options outside their unit block time

The attached list is the current IP names of those eligible for perks as they are vaccinated and IDs are stamped. We will update this list at each stamping event and will let staff know where to find the newest list. Thank you.

Expires 7/31/2021
