Election Reform and Integrity: What Can You Do To Make a Difference

AMERICANMAJORITY.ORG

We are the nation's premier conservative training organization, helping put in place a truly unique, separate political infrastructure—for use before, during and after election dates.

As a 501c(3) non-partisan, nonprofit, American Majority continually trains, organizes, mobilizes, and equips new grassroots conservative leaders. We believe meaningful, lasting political change starts not in Washington, but at state and local levels, where most actual government decisions and spending occurs.

FREEDOM CLUB

The Freedom Club aims to restore just and limited government, while preserving economic prosperity for all. Our membership consists of CEO's, business owners, attorneys, accountants, entrepreneurs, bankers, civic leaders and more. We all share the common desire to make Minnesota and the United States the best place to live, work and raise a family for our generation and many more to come.

The Freedom Club is a 501c4 non-profit corporation organized to educate the public about conservative principles and economic prosperity. Our members understand the impact of out-of-control wasteful government spending, high taxes, burdensome regulation and big government.
