Lieutenant Sorenson called to provide information related to a personal injury crash that occurred on MNTH 67 near Redwood Falls. Troopers are on scene investigating the right angle crash involving a semi and passenger car. The occupants of the passenger car were State Auditor Julie Blaha and State Senator Melisa Franzen. The initial assessment is that injuries are not life-threatening.

Lt. Sorenson will provide me an email update when more information becomes available, which I will forward.

Joe
