The conscience of Amerikkka is nonexistent thanks to a racist system, cowards in power and Capitalism.

Wake TF up people. We are better than this! Where is your humanity?

God don't like ugly.

Seriously?! 24 months for killing [#DaunteWright](#) This that bullshit!

Shane on you, AG Keith Ellison for not calling me to testify!

Judge Chu has proven herself an embarrassment to the AAPI community imho. She's our latest Candace Owens.

The whole damn system guilty as hell!

The body cam video proves nothing has really changed. There is no reforming a system founded on slave patrol and white supremacy.

Even feral animals have sanctuaries.

Where TF are the NO KILL shelters for Black and brown people?

He was asleep FFS!
