Dear [REDACTED]

Thank you for writing about the PRO act, which is designed to protect access to reproductive health care for Minnesotans. The bill does not speak to allowing abortions in the third trimester, an exceptionally rare occurrence in the state of Minnesota which occurs only in dire circumstances. I do not personally support late term elective abortion and will work to ensure we safeguard against that practice.

Sincerely,
Sen. Matt Klein, MD

Im in your district and haven't heard back from you.

How are you voting on these bills?

I'm begging you to vote NO on HF1 and SF1

We did not elect you to enact INFANTICIDE, PARTIAL BIRTH ABORTION, and abortions on demand for any reason using our tax dollars.

This is shocking, horrifying and beyond comprehension.

I pray God does whatever he needs to do to move your heart.

Do the right thing and protect life.
